“INTERNATIONAL ACCOUNTING DAY-2026”

International Accounting Day was celebrated with enthusiasm across various colleges and universities in Odisha in collaboration with the Indian Accounting Association, Bhubaneswar Branch. The celebrations featured seminars, expert lectures, quizzes, student presentations and interactive sessions on contemporary developments in accounting, auditing, taxation and financial reporting. The programmes provided an opportunity for students and faculty

members to interact with academicians and professionals. The initiative aimed to promote accounting education, professional awareness, ethical practices and research culture. It also strengthened academic and professional engagement in the field of accounting across Odisha.
