III National Conference
On
Vision 2020-A Journey of Financial and Economic
Development of India

Introduction

Vision of India's future should encompass all the myriad aspects that constitute the life of the country and its people. It must balance and synthesize all the divergent views and forces that combine, compete and unite in their pursuit of self-fulfillment. A roadmap of financial strength fostering economic growth among various sectors. A blue print that will surely take us through various aspects of financial & economic growth focusing upon the tagline of "Vision Beyond 2020".

A Journey of Financial and Economic Development of India - "Pre and Post Covid Scenario" will determine the National Development that has changed in recent years, opening up greater possibilities than before. By 2020, people of India will be more numerous, better educated, healthier and prosperous than at any time in our history. The growing influence of the factors acting on the India's increasingly dynamic and vibrant economic base will lead to the view that India can achieve and sustain higher historical rates of financial and economic growth in the coming decade.

Bhopal – The City of Lakes

Bhopal - The Capital of Madhya Pradesh was founded by Raja Bhoj in the 11th century and is famous for its scenic beauty, rich cultural heritage and modern urban planning. The hilly landscape with a great number of lakes rightly popularize it as a city of lakes. The present day Bhopal is a multi-faceted city with its fine old Tajul and Moti mosques and various markets juxtaposed with the modern structures of exquisite architecture and stunning beauty revealed in the lush green gardens and broad, elegant by streamlined avenues. The capital has various Institutions of National importance viz. ISRO, AMPRI, MANIT, IISER, NITTTR, IIFM, BHEL, NLIU and AIIMS. Places of interest in and around Bhopal are upper and lower lake,

Bharat Bhawan, Van Vihar, Birla Temple, Manav Sangrahalaya, Islam Nagar, Bheembetka, Sanchi, Bhojpur etc.

Bhopal is well connected by road, rail and air from different parts of the country. The institute is located at a distance of 15 km from main railway station, 7 km from Rani Kamlapati railway station and 25 km from Raja Bhoj airport, Bhopal.

The Institute

Institute for Excellence in Higher Education (IEHE) Bhopal was established in the year 1995 by the State government with a vision to bring excellence in Higher Education. Since its inception, the Institute has endeavored to impart not only quality education but also develop moral and ethical values which ensure an overall development of the students. IEHE is located in a lush green valley adjacent to Kaliasot Dam and is conferred with autonomy in Financial, Academic and Administrative matters by the UGC. The Institution has successfully carried out the task of grooming and transforming students into potential human resources of quality. It is a pulsating center of empowered minds and offers an array of courses to the students admitted through a very transparent online procedure. The exemplary progress and growth of the institution was justly reckoned with NAAC, Bengaluru that accredited IEHE with 'A' grade in the first phase in 2004, second phase in 2011 and third phase 2016. To add another feather in the cap, the Institute was conferred with CPE – 'College with Potential for Excellence' status in 2010.
