For over 100 years, the American Accounting Association has had a rich and reputable history built on teaching innovations, leading-edge research, and publications.

The **diversity of our membership** creates a fertile environment for collaboration and innovation. Above all, membership in the American Accounting Association (AAA) brings members networking opportunities with **colleagues from more than 62 countries from around the world**, plus exposure to exciting new initiatives.

AAA offers **deeply discounted membership for academics, professionals, doctoral students, and retirees residing in India**. For information about how to join AAA and start your membership, visit us online at aaahq.org/india or contact our Member Services Team at info@aaahq.org.

Center for Advancing Accounting Education

The **Center for Advancing Accounting Education** offers a wide range of educational opportunities for its members. These include access to **many webinars (free to members)** on teaching strategies and best practices, access to teaching resources on the AAA website, teaching conferences at mid-year meetings and Teaching Bootcamps. The Center also hosts workshops on current issues in accounting.

Networking Opportunities and Meetings

The AAA offers **numerous meetings (both in-person and virtual) and webinars (free to members)** throughout the year for members to network and connect with colleagues from around the world. Our meetings and webinars help drive the exchange of new and exciting ideas and insights. Members also increase their visibility in the community by participating in a meeting as a volunteer, or in a role as a meeting discussant, reviewer, or moderator.

Special Interest Sections

The AAA offers members the opportunity to exchange expertise in 17 special interest Sections (including the International Accounting Section), as well as the opportunity to gather at yearly meetings and conferences. Section membership is optional and available, for an additional fee, to all AAA members. **Most Sections have journals where members can have their research published.**

AAA Journals and Digital Library

Membership includes an electronic subscription to all three AAA online journals: *The Accounting Review*, *Accounting Horizons*, *Issues in Accounting Education*, and the 14 Section online journals. All electronic journals are searchable and downloadable through the Digital Library. Members have complimentary online access to prior years of additional content.

AAA Career Center

As a member of the AAA, you have access to the Career Center's unparalleled selection of jobs. **Members can post a resume for free to gain exposure to top recruiters in the academic world.** Our services make job recruitment effective and efficient, at affordable prices, for both recruiting institutions and candidates alike. In December, the AAA also hosts the **Accounting PhD Rookie and Recruiting Camp**, which is a two-day forum for faculty and recruiters to meet and network with PhD candidates, attend research presentations by job-seeking candidates, and conduct interviews.

Additional AAA Member Benefits

There are **numerous additional benefits** that AAA Members enjoy—including webinars on research methodology, reduced member pricing for article submission fees to select AAA journals, discounts on many AAA meetings, and volunteer opportunities. All members also receive a **digital membership badge** to share via social media and in digital signatures.
